# THE SAME CAR FOR LESS MONEY

BEAR in mind that the Maxwell car has not been changed.

It is standardized. It will not be changed except in minor respects - where we see opportunities from time to time to make refinements and additional improvements.

The new price of \$595 is only made possible by our greatly increased production and the fact that we specialize in only one automobile.

the same as every other Maxwell

Last year the Maxwell car represented a big value. Many thousands of satisfied Maxwell owners are the evidence of that.

But this year-at the reduced price of \$595-the Maxwell stands value of all time.

Nothing like it has ever been offered for the money.

Just consider, complete electrical equipment for starting and lighting; speedometer; demountable rims; one-man top; rainvision windshield; and every other device for the comfort and convenience of the owner.

Every thing that the expensive cars have. And good looks, comfort and economy of operationthat some of the others haven't.

There has been a nation-wide Every Maxwell car is identically demand for Maxwell cars at the former price; there will be an overwhelming demand for these cars at the new price of \$595.

And this proves that the American public has admitted and verified our unqualified claim

Maxwell Motor Car is the out as the one big automobile Big, Outstanding Motor Car Value in the Country Today.

### There Certainly Is a Difference

It takes all the fun out of a ride when pulling and ingging at the steering whee, anouples most of your line. It would do you good to get your hands on a Franklin and neitee how little effort and attention it takes to keep it in the course.

You wouldn't feet any lameness in your arms and shoulders, even after a 200 mile run.

The Franklin is light—there isn't the resistance to changing direction that keavy weight offers.

And the steering gear allows the wheel to follow ruts, instead of jumping them.

Then is remnding corners, the ear straightens out of its own accord no reced for quick turning of the steering wheel

If you're never driven a Franklin, you have a treat in above for you. Arrange a ride with us.
